JV Raiders Finish Season With A Win

Thursday, November 8, the Raider JV traveled to Industrial for their last game of the season.

The Raider defense did what they have done for most of the season and shut out the Cobra offense. This was the sixth game that the Raiders did not allow their opponent to score against the defense. The JV defense only gave up 54 points the entire season.

The Raider offense played well, controlling the ball for most of the game though they only managed to get one touchdown. This would prove to be enough since the defense would not allow the Cobras to score.

The lone touchdown came one a one-yard quarter back sneak by Ryan Moore. Ryan's run capped off a 30-yard drive. The Raiders

started with great field position thanks to the defense, which led to Kevin Ellis recovering a fumble on the Cobra 30.

With only a six-point lead going into the second half the game was never secured until the last tick of the clock. The Cobras threatened to score after an interception near the end of the third quarter but the defense stood strong and forced the ball over on downs on the five-yard line.

The offense would then take over at the beginning of the fourth quarter on their own five-yard line. The offense slowly moved the ball down the field using up the entire fourth quarter thus finally securing the win.

The final score was 6-0, giving the Raiders an 8-1-1 record for the season.

The Rice Lady Raiders finished their season last Tuesday night. Pictured above is Lauren Shimek.
