PUBLIC/LEGAL NOTICES

NOTICE OF PUBLIC MEETING ON A MINOR AMENDMENT TO A LAND APPLICATION PERMIT OF SEWAGE SLUDGE PERMIT NO. WQ0004674000

APPLICATION. Synagro of Texas – CDR, Inc. 1002 Village Square, Suite C, Tomball, Texas 77375, has applied to the Texas Commission on Environmental Quality (TCEQ) for a minor amendment to TCEQ Permit No. WQ0004674000 to reduce the sludge application rate from 8.3 dry tons per acre per year on Fields 1-4 to 5.8 dry tons per acre per year on Field 1, 5.71 dry tons per acre per year on Field 2, 6.75 dry tons per acre per year on Field 3, and 7.3 dry tons per acre per year on Field 4. The existing permit authorizes the land application of sewage sludge for beneficial use on 271.81 acres. This permit will not authorize a discharge of pollutants into waters in the State. The facility is located adjacent to the west side of Farm-to-Market Road 194, approximately 1/2 mile north of the intersection of Farm-to-Market Road 194 and Highway 90, approximately 4.5 miles west of the City of Eagle Lake in Colorado County, Texas. The land application site is located in the drainage area of the Colorado River Below Smithville in Segment No. 1402 of the Colorado River Basin.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit for the minor amendment. The draft permit, if approved, would establish the revised conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements.

PUBLIC COMMENT/PUBLIC MEETING. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. During the Informal Discussion Period, the public is encouraged to ask questions of the applicant and TCEQ staff concerning the application and the Executive Director's preliminary decision, but these informal comments made during the informal period will not be considered by the Commissioners before reaching a decision on the permit and no formal response will be made. During the Formal Comment Period, members of the public may state their formal comments into the official record. A written response to all formal comments will be prepared by the Executive Director and considered by the Commissioners before they reach a decision on the permit. A copy of the response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this application and provides a mailing address. Only relevant and material issues raised during the formal comment period can be considered if a contested case hearing is granted.

The Public Meeting is to be held:
Tuesday, April 15, 2008 at 7:00 p.m.
Eagle Lake Community Center
100 N. Walnut Avenue
Eagle Lake, Texas 77434

INFORMATION. Citizens are encouraged to submit written comments anytime during the meeting or by mail before the meeting to the Office of the Chief Clerk, TCEQ, Mail Code MC-105, P.O. Box 13087, Austin, TX 78711-3087. If you need more information, please call the TCEQ Office of Public Assistance, Toll Free, at 1-800-687-4040. Si desea informacion en Espanol, puede llamar 1-800-687-4040. General information about the TCEQ can be found at our web site at www.tceq.state.tx.us.

The permit application, technical summary, Executive Director's preliminary decision, and draft permit are available for viewing and copying at the Colorado County Extension Service, 316 Spring Street, Columbus, Texas.
