LETTER TO THE EDITOR

What is the American Cancer Society Relay For Life?

April 18, 2008 Colorado County walkers go around the clock in the battle against cancer during the American Cancer Society Relay For Life. This celebration of life brings numerous groups and individuals concerned about cancer together for a unified effort to fight back.

Teams of enthusiastic citizens will gather at the Weimar Football Field for an overnight Relay against cancer from 6:00 pm on Friday, April 18, 2008 until 6:00 am Saturday, April 19, 2008.

Relay For Life is a unique fundraising event that allows participants from all walks of life - including patients, medical support staff, corporations, civic organizations, churches and community volunteers - to join together to fight cancer. Relay For Life reminds us that progress has been made in the fight against cancer and that everyone who participates is making a difference.

Relay For Life opens as cancer survivors (anyone who has ever been diagnosed with cancer) walk or wheelchair the first lap. This is an emotional time and sets the stage for the importance of each

participant's contribution. A festive atmosphere of camaraderie is created with team members entertaining each other: eating, playing games and of course, walking for a great cause.

Highlighting the evening is the Luminaria Ceremony held after dark (about 9:30) to honor cancer survivors and to remember those who have lost the battle against cancer. The luminaria line the track and are left burning throughout the night to remind participants of the incredible importance of their contributions.

Relay For Life is as much an awareness raiser about the progress against cancer as it is a fundraiser. This event is open to the community and I encourage everyone to take time on Friday evening to come join us during the Luminaria Ceremony and stay for the various activities. There will be a "Miss Relay Pageant" (men participants only) beginning at 7:45, games, food and lots of celebration.

If you have questions or need any information, please call me at 979-732-5948 or 979-732-1857.
