## TxDOT To Discuss Grant Program

The Yoakum District of the Texas Department of Transportation (TxDOT) will hold a meeting to discuss funding for the Section 5310 Elderly and Disabled Transportation Grant Program on April 29 at 2 p.m. at the TxDOT Office at 403 Huck St. in Yoakum.

This program provides grants to agencies for the purchase of transportation services, vehicles, vans, computer equipment, preventive maintenance and other items associated with providing transportation.

TxDOT will be looking for members to become a part of their commitment to community involvement in planning and developing transit services for their respective areas.

They will also be discussing the transportation needs of residents in Austin, Calhoun, Colorado, DeWitt, Fayette, Go-liad, Gonzales, Jackson, Lavaca, Matagorda, Victoria, Waller and Wharton Counties.

A short presentation will be made on the Section 5310 Elderly and Disabled Program, as well as formally announcing those agencies that received funding for this year.

Anyone interested in joining the consensus group or assisting with the service development por-

tion should attend. More information may be obtained by contacting Ms. Wanda Carter-Dyer at (361) 293-4395.
