

Johnny and Scharlene Prazak's yard at 807 N Austin Road is Yard of the Month for April.

Garden Club Names Yard of Month

By Patty Holloway
Johnny and Scharlene Prazak's yard at 807 N Austin Road is just bursting with spring color. There are wonderfully large geraniums that have survived three winter (without being covered) bluebonnets, cosmos roses, hibiscus and everywhere you look there are impatient. Johnny had just finished transplanting volunteers in the back and front yard.

He has really healthy impatients that give him an abundance of volunteers. The Prazaks have lived here for forty years. He was a barber for forty four years and served with the fire department for 34 years. He is retired now and enjoys working in the yard. He and Scharlene have three daughters and six grandchildren living in the Richmond and Katy areas.
