## Living Hope Church Awards Scholarships

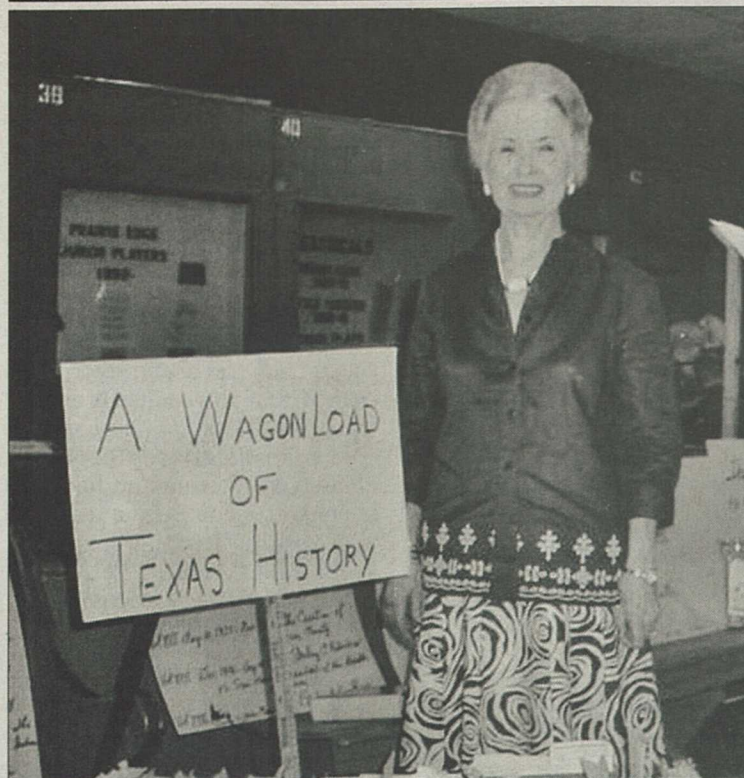

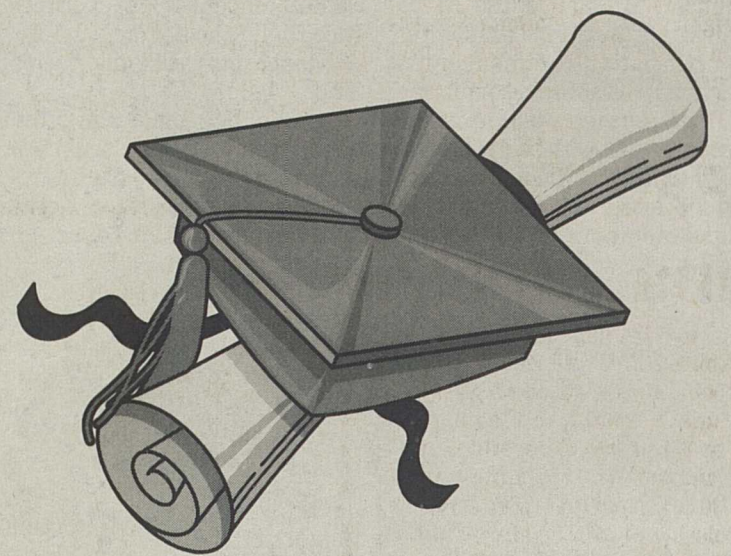

Living Hope made its annual college scholarship awards during Sunday morning worship services on May 25.

Stephanie Castillo, graduating senior at Rice High School was awarded a cash scholarship to go toward college expenses. Stephanie also was given a graduation gift, the traditional church gift of a Bible engraved with her name.

Sterling Fling was given the second installment of his Heritage Scholarship. The Living Hope Church Heritage Scholarship is intended to provide financial assistance to the church's college students each year that they further their education.

Sterling completed his first year of college work at Wharton County Junior College on May 12. During this term he was honored by being named the Outstanding Student in Government in the awards program held May 14.

The Living Hope Church Heritage Scholarships are funded entirely by the generous giving of Living Hope Members. Pastor Joe Fling gave special thanks to all church members whose special gifts made this years cash awards possible.

Mrs. Helyn Farris presented the program "A Wagon Load of Texas History" during the Eagle Lake Study Club President's Luncheon held on May 9, at the Prairie Edge Museum.

Mrs. Farris spoke about Dr. Malcolm Dallas McLean, who is a retired professor from TCU and U.T. at Arlington. Dr. McLean has compiled 19 Volumes about the Robertson Colony in Texas. Mrs. Farris has purchased all 19 volumes and highlighted some of the stories during the program. Dr. McLean would use a wagon to transport the volumes to meetings and seminars, so the title—"A Wagon Load of Texas History" was an appropriate title for the program.

A quote from Dr. McLean "Texas History STRAIGHT is too strong for most people—they prefer it diluted and diverged by a professor first..."
