If You Believe

*Your diploma means a future without boundaries,
A world that's full of energy and fun.
So as you reach for all life has to offer,
Remember that you're second to no one.*

*Pursue your goals, yet keep your loved ones close,
As you utilize your talent and ambition.
Let your friends and family give you their support,
And you'll master every challenging transition.*

*And always, E.J., know you can achieve
The things you really want, if you believe.*
