DPS Operation CARE For July Fourth Holiday

Make this Fourth of July holiday as safe as possible.

Celebrating our nation's birthday is exciting, but motorists who choose to consume alcohol, speed and disregard traffic laws may find themselves talking to a state trooper.

Troopers of the Texas Department of Public Safety will be patrolling Texas roadways targeting speeders, drunk drivers and seat belt violators during the Fourth of July holiday.

The DPS will be conducting two special emphasis programs to ensure public safety: Operation Holiday and Operation CARE.

Operation Holiday allows the assignment of other departmental uniformed personnel from the Driver License Division to supplement Highway Patrol traffic enforcement.

Operation Holiday will start on Friday, July 4th and ends Sunday, July 6th.

Operation CARE (Combined Accident Reduction Effort) is a nationwide campaign by state police agencies to reduce fatalities during holiday periods.

Operation CARE will begin Thursday, July 3, and conclude Sunday, July 6.

"The summer months are generally when we see the most alcohol-related fatalities in Texas," said Senior Highway Patrol Trooper Gary Pflughaup.

"A number of crashes can be avoided by using common sense and practicing safe driving."

Here are some driving tips DPS recommends for travelers during the holiday weekend:

-Do not drink and drive; rather, find a designated driver.

-Have everyone in the vehicle properly secured, either with a safety belt or in an appropriate car seat or booster. Remember, "Click It or Ticket."

-For long trips, have the car checked to make sure it is road-worthy.

-Slow down, especially if weather and road conditions do not allow for the designated speed limit.

Any and all support will be

greatly appreciated!

An account has been created at First National Bank as well for anyone wishing to help sponsor this event.

First National Bank President, Sam Kana, congratulates Coach Brad Dumont, in Rice Consolidated's 7 on 7 team making the State Tournament, in only their second year of competition. The bank donated \$250 towards the cost of the trip. School funds can't be used and the team will be seeking additional sponsors.

UP Urges A Safe 4th Of July Holiday

Millions of Americans will observe and celebrate the Fourth of July holiday with weekend trips and family outings.

Union Pacific reminds travelers - motorists and pedestrians alike - to take the extra time and use caution when crossing railroad tracks and at grade crossings, and to please stay away from railroad property.

It is important to practice safety at highway-rail grade crossings and to heed the warnings of automated crossing gates, flashing signals, stop signs, yield signs and crossbuck signs. When traveling near the railroad, please remember these important safety

guidelines:

- Pedestrians should never walk along tracks and only cross tracks at designated roadway crossings.

- Obey all warning signs and signals.

- At a multiple track crossing waiting for a train to pass, watch out for a second train on the other tracks, approaching from either direction, before proceeding.

- Do not be fooled; the train you see is closer and moving faster than you think. If you see a train approaching, wait for it to go by before you proceed across the tracks.
