

Ms. Judy Holloway and Mr. Clinton Stevens will be united together in holy matrimony on Saturday, July 26 at 1 p.m. at White Cloud Baptist Church. In lieu of gifts, monetary contributions may be placed in our wishing well. We hope that our first wish comes true, that you will be there when we say "I Do".

Parker Steele Rivers, of Houston, and John Morgan (TJ) Johnson of Eagle Lake and Houston, were married on July 3rd in a private ceremony. The wedding took place in Jackson Hole, Wyoming, at the home of the groom's grandfather, the late Samuel Baker Symington. The bride is the daughter of the late Bristol Austin Steele, of Houston, and Patricia B. Steele of Houston and Cuernavaca, Mexico. The groom is the son of John Morgan Johnson Jr. and Judith Shuart Johnson of Eagle Lake and Houston and Colorado Springs, CO. The couple will reside in Houston.

Launer, Bozalina United In Marriage

Marie Launer and Justin Bozalina were united in marriage at an afternoon service on Sunday, April 13, 2008, at the Allan House in Austin. The lovely grounds of the Allan House and the beautiful weather on that day provided a perfect setting for the double-ring ceremony. The ceremony was officiated by Rev. Stan Warfield, uncle of the groom. A scripture reading was provided by Megan Bozalina, sister of the groom. A special "welcome to the family" including a Native American wedding prayer, was provided by Grady Carlile, the bride's uncle. The reception and celebration continued at the Allan House, a 125-year old historic home, where guests could be seated outside under large oak trees after being served hors d'oeuvres from inside the home. The tables held arrangements in crystal rectangular vases, resembling miniature gardens as the containers held wheat grass with orange, white and green wildflowers. While the guests enjoyed food and beverages, the Texas Gypsies of Dallas, provided music.

Marie is the daughter of Leslie and John Moore of the Woodlands, and Joni Jo and David Launer of McAllen. Justin is the son of Glenda Bozalina of Wharton, and the late Michael Bozalina. He is the grandson of the late Irene and Leslie Sunderman, formerly of Eagle Lake. The bride was given in marriage by her parents, Leslie Moore and David Launer.

Marie wore a designer Hallie gown by Melissa Sweet, a beautiful ivory strapless French Chantilly lace sheath over silk charmeuse. The dropped waistline and hemline were finished with scalloped edging, with the sheath flaring into a 24-inch godet. She carried a hand-tied bouquet of white daisies with white ribbon streamers. Attending the bride was her

sister and maid of honor, Jennifer Launer of Houston. Bridesmaids were Holly Krenek and Betty Krenek, friends of the bride and groom from Austin, and Gina Garcia, friend of the bride from McAllen. Attendants each wore Jenny Yoo gowns in their style of choice, made of spring green silk shantung. They carried bouquets of orange Gerber daisies, finished with orange and green streamers. Flower girl was Sadie Monarez of San Antonio, cousin of the groom. Sadie wore a pure ivory dress with satin sash and carried a white basket of rose petals, trimmed with orange ribbons and Gerber daisies. Her bouquet was both orange and white daisies.

Rian Kacer, lifelong friend of the groom from Plano, served as best man. Groomsmen were Adam Cammack, friend of the bride from Kingwood, Morten Winther, friend of the groom from Copenhagen, Denmark and Chase Moore, brother of the bride from the Woodlands, TX. The groom and groomsmen were similarly attired in black afternoon tuxes with ivory vests, ivory cummerbunds

Study Club Auction Planning Underway

By Betty Wilcox

It is getting to be that time again! The 29th annual auction held by The Eagle Lake Study Club will be held on September 20.

If you are a member of a group, be it family, card group, service organization or just a group of friends, please consider getting together to donate ONE larger item.

This will enable the Study Club to have a full auction with fewer items, there by reducing auction time.

Different items on which to bid might be gift cards, stay at a hotel, a play, or perhaps a cruise for two. Good ideas are most welcome.

The silent auction and catered dinner will be held from 5 to 7

p.m. before the main auction as in the past.

Over the last 28 years this auction event has been held as the major support for the Eula and David Wintermann Library.

An important note to remember is that each dollar raised will be matched by the Wintermann Foundation, dollar for dollar - all money goes directly to the library for its operation.

So, mark your calendar for September 20, be present at the Eagle Lake Community Center for an evening of fun, and be as generous as possible.

HOW TO PROTECT YOUR ORAL HEALTH WHILE TRAVELING

When you prepare to travel, taking a few simple precautions before you leave can potentially eliminate dental emergencies and long-term damage to your oral health.

If you are going to be away for an extended period or traveling overseas, try to schedule a dental exam. Schedule this appointment enough time in advance so that any problems can be addressed before you go. Jot down your dentist's name, address, telephone number, and any significant information about your oral health. Also be sure to carry your dental insurance ID card and telephone number.

If you experience a blow to a tooth or severe tooth pain, you should contact a dentist right away rather than waiting until you return home. The long-term prognosis for many patients is determined by the type of injury to the tooth and how much time elapses before treatment.
