Immaculate Conception Bazaar Aug. 31

The Immaculate Conception Catholic Church is having their Bazaar and Homecoming on Sunday, August 31.

The event will be held at the Knights of Columbus Hall at 1390 Highway 90 West in Sealy.

A barbecue lunch consisting of beef, pork, sausage, chicken and all the trimmings will be served starting at 10:30 a.m. Mexican food will also be available. Plates to go and meat by the pound will also be sold.

Ray Krenek on the dulcimer will provide music inside the hall from 11 a.m. to 1 p.m. and Krenek's and The Texas Sound will provide music under the pavilion before and after the live auction.

There will also be other entertainment throughout the day consisting of a rock climbing wall, moon walk, petting zoo, and various other kiddie rides and games. There will also be a plant stand, country store, grocery stand, fruit cocktail stand, snow cone and cake walk.

The auction will begin at 1 p.m. consisting of antiques, quilts, baked goods, and other great items. There will also be a drawing consisting of twenty-three (23) items that will be held at the end of all the festivities.

Connect to Energy Savings

AS THE ELECTRIC DELIVERY COMPANY that has been serving south and west Texas for over 90 years, AEP Texas knows a thing or two about energy conservation. While we no longer sell electricity or send out monthly electric bills, we recognize this is going to be a long, hot summer.

Since AEP Texas and its 1,700 employees are directly connected to the many communities we live in and serve, we'd like to share some low or no cost tips with you on how to keep cooler this summer by saving energy and money.

- Set air-conditioning thermostats to the highest possible comfortable setting and dress accordingly.
- Turn off every appliance you are not using including lights, televisions and radios. Use the "sleep" feature on your computer equipment.
- Only cool rooms that you use. Close vents and doors in unused rooms. Be sure to close closet doors.
- Check your air-conditioning filter every month and replace as needed.
- Keep windows that let the sun in covered when the sun is shining on them.
- Weather strip and caulk around windows and doors to prevent drafts.
- Close your fireplace damper when the fireplace is not being used.
- Use fans to help circulate the air in your house.
- Air-dry dishes in the dishwasher.
- Lower the temperature on your hot water heater to warm during the summer, take short showers and wash only full loads of clothes in the laundry.

It's important to remember that if you're having trouble paying your electric bill, call your retail energy provider (REP) at the number listed on your current electric bill to avoid disconnection.
