

The Antique Tractor Pull has become one of the most popular events at the county fair. One of the entries in last year's event is pictured pulling a large load down the track. They may be old, but they still have what it takes to get the job done. Come enjoy this year's event on Saturday starting at 11 a.m.

## Tractor Pull Set For Saturday

This year's 30th Annual Fair will host a tractor pull on Saturday at 11 a.m. for the old tractors that our "experienced" or "wiser" citizens grew up with. We are inviting anyone that has a 1959 or older tractor to pull a sled that is made for antique tractors.

We will have four divisions with weight classes in each division. Division I starts with a 3100 lb. stock tractor as you would use at the fair. An example is a Farmall A or B or Allis-Chalmers B or C.

The higher the division, the more the stock tractor can be modified for higher horsepower and more

pulling power. There will be a scale positioned at the start which keeps everyone honest for Saturday weight adjustments.

Anyone that pulls will be charged a \$15 hook on fee on Saturday during the competition for each pull.

Trophies will be awarded and all participants will receive special treatment for helping make the antique Tractor and Engine Display something to remember. Pull sled and scale from Bicknell/Miller/Lancaster/Lawler and Texas Antique Tractor Pull Association rules will be our guideline.

Contact Franklin Hudec at 713-224-5326 (work) or 979-732-5863 (home) or Keith Potter at 979-732-6201 for information.

Jerry Henneke and Joyce Kemper at the 77th Annual-2007 TAF&E Convention.
