Farmers' Market Closing Sept. 25

The Eagle Lake farmer's market will close on September 25 for the year, and will open next year in the early spring.

The actual reopen date will be determined by the weather and how our gardens grow.

Gardeners and farmers, plan now to bring your harvests to the farmer's market next year.

Thank you to those growers who shared their fresh produce and baked goods with everyone, and thanks to all the people who bought from the market this season, making it a great success.

We also thank the City of Eagle Lake for letting us use the pavilion at the Community Center. For any questions about the market, call 979-243-4261.
