Notice of Tax Revenue Increase

The City Council of the City of Eagle Lake conducted public hearings on Sept. 9, 2008 and Sept. 16, 2008 on a proposal to increase the total tax revenues of the City of Eagle Lake from properties on the tax roll in the preceding year by 5.17 percent.

The total tax revenue raised last year at last year's tax rate of .77829 for each \$100 of taxable value was \$628,123.

The total tax revenue proposed to be raised this year at the proposed tax rate of .77590 for each \$100 of taxable value, excluding tax revenue to be raised from new property added to the tax roll this year, is \$654,353.

(insert amount computed by multiplying proposed tax rate by the difference between current total value and new property value.)

The total tax revenue proposed to be raised this year at the proposed tax rate of .77590 for each \$100 of taxable value, including tax revenue to be raised from new property added to the tax roll this year, is \$660,619.

(insert amount computed by multiplying proposed tax rate by current total value.)

The City Council of the City of Eagle Lake is scheduled to vote on the tax rate that will result in that tax increase at a public meeting to be held on Sept. 23, 2008 in Council Chambers, 100 E. Main Street at 7:30 p.m. (location of meeting, including mailing address) (time of meeting)
