Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER

HOROSCOPES

ARIES - Mar 21/Apr 20
Aries, there's more than meets the eye to that new person in your life. It could pay to get to know this person a little bit better. A great relationship may grow.

TAURUS - Apr 21/May 21
Taurus, there's no easy way to address a difficult problem, so you just have to step up and be honest. Work affairs take up too much of your time this week.

GEMINI - May 22/Jun 21
Some people do not appreciate your unique take on the world, Gemini. When meeting new people, you may want to walk the straight and narrow ... at least for a while.

CANCER - Jun 22/Jul 22
You'll dabble in a few new things this week, Cancer. Why not try cooking, most especially recipes that are normally out of your comfort zone?

LEO - Jul 23/Aug 23
Leo, a moment of weakness shows others how many sides you really have. Don't hide the real you because others are bound to embrace you regardless.

VIRGO - Aug 24/Sept 22
Virgo, you're just now getting used to the new facets of your life. While you often say you're open to change, deep down it takes a while for you to adjust and reach your comfort zone.

LIBRA - Sept 23/Oct 23
Keeping secrets from family members can only lead to trouble, Libra. Be open and honest with those around you, even if you think they're not going to be happy with your decisions.

SCORPIO - Oct 24/Nov 22
Keep biding your time, Scorpio. Soon you'll be able to make that big announcement you've been itching to let slip. Expect confrontation when news does get out.

SAGITTARIUS - Nov 23/Dec 21
Sagittarius, there's not much you can do about a tricky situation at home. So lay low and wait for the storm to pass. Busy yourself with mundane projects in the meantime.

CAPRICORN - Dec 22/Jan 20
Rash decisions only end in trouble, Capricorn. This comes to a head this week when you get in over your head. Don't worry; Taurus will bail you out.

AQUARIUS - Jan 21/Feb 18
Aquarius, stop making promises you cannot keep. Write down your to-do list and mark off items as they are completed. It's the only way to stay focused this week.

PISCES - Feb 19/Mar 20
Put financial concerns at the forefront of your week, Pisces. Otherwise you'll forget and you could land in trouble.

A Light, Easy Breakfast

For brunch or breakfast fans, granola and yogurt have become a morning favorite. A parfait such as the following "Granola Parfait" from The Culinary Institute of America's "Breakfasts & Brunches" (Lebhar-Friedman Books) is sure to put a smile on the faces breakfast's biggest fans.

Granola Parfait
Makes 8 Servings
1 1/4 cups blueberries
1 1/4 cups raspberries
1 1/4 cups quartered or sliced strawberries
4 cups plain yogurt
4 cups granola (recipe follows)

- Combine the berries in a bowl and toss together.
- Add a layer of the berries to each parfait glass, then a layer of yogurt, followed by a layer of granola. Add a second layer of berries, followed by additional layers of granola and yogurt. Top the parfait with berries.
- Serve at once or keep refrigerated for up to 4 hours.

Granola
Makes 8 Servings
1 1/2 cups rolled oats
1/4 cup canola oil
1/2 cup turbinado or light brown sugar
2 teaspoons ground cinnamon
1/2 cup sunflower seeds
1/2 cup packed sweetened shredded coconut
1/4 cup wheat germ
1/4 cup sesame seeds
1/4 cup chopped almonds
1/4 cup chopped walnuts
1/2 cup raisins

- Preheat the oven to 300 F.
- Combine the oil, oats, sugar, and cinnamon. Spread the oat mixture in an even layer on a baking sheet and bake, stirring occasionally, until it is fragrant and lightly toasted, about 20 minutes.
- Add the sunflower seeds, coconut, wheat germ, sesame seeds, almonds, and walnuts to the mixture in the pan. Stir together and spread into an even layer on the pan and bake until golden brown, about 15 minutes. Add the raisins and cool completely.
- Store in an airtight container in a cool, dry place.
