A RESIDENT is a person who has lived continuously in Texas for more than 6 months immediately before applying for a license. Members of the United States Armed Forces (and their dependents) on active duty anywhere are entitled to purchase a resident license. The term "active duty" means full-time duty in active military service, including the National Guard and Reserves of the United States. Such term includes full-time training duty and attendance while in the active military service at a school designated as a service school by law or by the Secretary of the military department concerned. Non-residents under 17 years of age are designated as residents for hunting license purposes (not valid for Lifetime Licenses).

Residency is proven by any three of the following (all documents must reflect the applicant's name and a physical address in Texas). Social Security Numbers Required by Law: The collection of the Social Security Number is mandated by the Federal Government. TPWD has no option but to comply with Federal Law and collect the numbers from the purchasers of licenses. TPWD cannot force you to provide your social security number; however, under Federal Statute, we cannot sell you a license. Your social security number is required to be collected, regardless of age, for the purpose of child support collection enforcement under Federal Statute 42 U.S.C.A. 666 and Texas Family Code, Section 231.302. If you are buying a license for another person, the law requires that the purchaser provide the social security number of the person who will be holding the license.
