DPS Operation CARE For Holiday

Buckle Up, Slow Down, Drive Sober for Thanksgiving

The Department of Public Safety will be on the lookout this Thanksgiving holiday for seatbelt violators, speeders, and drunk drivers.

The Department will be participating in Operation CARE (Combined Accident Reduction Effort).

"With the holiday season upon us and gas prices dropping, we expect more drivers on our roadways. Many people will choose not to wear their seatbelts and some drivers will be impaired," said Senior Trooper Gary Pflughaupt. "DPS will have all available troopers out on the road during the Thanksgiving holiday."

Operation CARE is a nationwide effort to reduce fatalities during holiday seasons.

DPS Troopers will be joining other state agencies with the goal of keeping our highways safe. Operation CARE starts 12:01a.m., Wednesday, November 26 and concludes midnight Sunday, November 30, a total of five days.

Operation CARE helps raise public awareness of the penalties one could incur if found driving

recklessly in the state of Texas," Pflughaupt said. "We urge parents to set an example by wearing their seatbelts and to utilize car safety seats for their children."

During last year's Thanksgiving Operation CARE, troopers wrote 10,426 citations for speeding and 400 for driving while intoxicated, plus 34 for minors driving under the influence.

They also wrote 1,026 citations for seatbelt violations and 358 tickets for child restraint violations. DPS has a no-warnings policy for seatbelt and child restraint violations.

With fuel prices lowering, roads are more likely to be crowded, DPS reminds drivers to leave themselves plenty time to get where they're going.

Avoid bad driving habits that lead to road rage, such as:

- Not using turn signals.
- Driving in the passing lane.
- Tailgating, flashing lights or honking.
- Using high beams in traffic.
- Not allowing adequate time for a given trip.
- When confronted with ag-

gressive drivers, the DPS recommends that you:

Put your pride in the back seat and move aside.

Do not speed up, block lanes, slam or tap on brakes.

Report extreme cases of reckless driving to the appropriate authorities.

Do not retaliate, gesture or make eye contact.

Other Safety Tips:
Obey the speed limit, utilize safety restraints, and drive sober.

Inspect car fluid levels, tire air pressure, spare tire, and windshield wipers.

Place a flashlight, blankets, bottled water, snacks, a first aid kit, and a mobile phone in your vehicle for emergency situations.

Plan your route and be aware that road construction and/or weather conditions may delay your travel.

Remember the Stranded/Disabled Motorist helpline number for roadside emergencies - 1-800-525-5555.

Get plenty of rest and drive defensively.

TOOTH WHITENING

Q. How can I brighten my smile?

A. Your smile is the first thing others notice about you. Teeth that aren't as white as you'd like them to be can leave you feeling self-conscious. Tooth whitening is the most popular cosmetic dental procedure in the United States.

Generally, whitening is successful in at least 90 percent of patients, though it may not be an option for everyone.

Consider tooth whitening if your teeth are darkened from age, coffee, tea or smoking. Teeth darkened with the color of yellow, brown or orange respond better to lightening. If you have very sensitive teeth, periodontal disease, or teeth with worn enamel, your dentist may discourage whitening.

The dentist or hygienist will make impressions of your teeth to fabricate a mouthguard appliance for you. Along with the mouthguard, you will receive the whitening materials and instructions on how to wear the mouthguard. You should see results in 2-4 weeks.

Tooth whitening has been performed successfully on millions of patients. Talk to your dentist to see if you are a good candidate for tooth whitening and which system will provide the best results.

The Eagle Lake Volunteer Fire Department

Thank You!

would like to express our sincere gratitude to everyone that contributed to our annual stew supper. This includes ticket buyers, silent auction donors, silent auction buyers and others

that made monetary contributions or volunteered their time to help in some way. Without the generous supporters of our fire department, we would not be able to continually upgrade our equipment to better serve and protect our community.
