HOROSCOPES HOROSCOPES

ARIES - Mar 21/Apr 20
No spin control can get you out of a tough bind on Tuesday, Aries. It's best if you button your lips and go with the flow. A chance for redemption arrives soon.
TAURUS - Apr 21/May 21
Rethink your role in a relationship, Taurus. It's going nowhere and taking up much of your time. The time for action is now. Get moving before it's too late.
GEMINI - May 22/Jun 21
A rough start in the week may have you thinking it will be a wash-out. Not necessarily. A chance encounter changes your mind on Thursday when romance blossoms.
CANCER - Jun 22/Jul 22
Cancer, money has been flowing out of your wallet at hurricane wind speeds. Take that wallet and triple-lock it, then stash it in a safety deposit box for safe keeping.
LEO - Jul 23/Aug 23
Leo, the stars indicate this is a good time for a health evaluation. Make an appointment with your doctor and get a physical. Money is no object for the next few weeks.
VIRGO - Aug 24/Sept 22
Life is playing out like a bad soap opera, Virgo. But you'll have a chance to turn it all around. Surround yourself with better characters. A change to your home life is imminent.
LIBRA - Sept 23/Oct 23
Visiting with family is something you enjoy, Libra, so do more of it. Foster friendships and your calendar will always be full. Your relationship hits a rough patch Monday.
SCORPIO - Oct 24/Nov 22
Over-planning the events of your life will not make them go the way you desire, Scorpio. When will you realize that fate has a hand and things will work out?
SAGITTARIUS - Nov 23/Dec 21
Sagittarius, don't make family matters worse by contributing to the confusion. It's time you played a passive role and simply stayed on the sidelines.
CAPRICORN - Dec 22/Jan 20
Capricorn, your new job leaves you feeling satisfied and proud. So don't worry about what others have to say about it. Financial worries start to fade away.
AQUARIUS - Jan 21/Feb 18
You're slowly losing patience, Aquarius, and you don't know what to do about it. Deep reflection will give you all the answers that you seek.
PISCES - Feb 19/Mar 20
Pisces, talk over your feelings with someone else. Keeping them bottled up will only prove counterproductive. Luck is yours on Friday.
