ARIES - Mar 21/Apr 20
Aries, don't get frustrated if you hit some unexpected bumps at work. Think creatively and you'll discover that there is more than one way to get things done.

TAURUS - Apr 21/May 21
A serious discussion with a loved one will make you realize something good about yourself. You'll discover that you may have to step back to move ahead.

GEMINI - May 22/Jun 21
Be true to yourself and others this week, Gemini. Don't make promises you can't keep. In fact, try not to say anything you're not absolutely certain of.

CANCER - Jun 22/Jul 22
Caught in a rut? Pull yourself out by doing something you have always wanted to try. Don't be afraid to make a change. Libra will help you overcome adversity.

LEO - Jul 23/Aug 23
A heated argument could lead you to say something you'll regret, Leo. Hurtful words may leave long-lasting scars, so try not to act out too rashly. A major change is looming.

VIRGO - Aug 24/Sept 22
Don't be generous with other people's money, Virgo. A promotion at work is likely, since an associate's blunder will end up benefiting you. Be strong when you're promoted.

LIBRA - Sept 23/Oct 23
Libra, a loved one's harsh words should be taken with a grain of salt. Don't let words said in anger get you down. Instead, look at the big picture and you will feel much better.

SCORPIO - Oct 24/Nov 22
Take the first step in accomplishing a long-term goal. You'll find that taking action gives you a sense of control. You'll be happy with what you initiated, Scorpio.

SAGITTARIUS - Nov 23/Dec 21
Sagittarius, a younger family member will call on you for advice. Be sure to give an unbiased opinion. New love could be on the way later in the month. Be on the lookout.

CAPRICORN - Dec 22/Jan 20
Don't let a period of doubt and uncertainty damage a good relationship, Capricorn. A heart-to-heart conversation will probably help clear things up.

AQUARIUS - Jan 21/Feb 18
This week you may find yourself reflecting on the past, Aquarius. A mistake you made some time ago will serve as a guideline for today. Take some time to ponder that.

PISCES - Feb 19/Mar 20
You feel confident to reach for what you want, Pisces. Do you deserve a promotion? Well, don't be afraid to go in and ask for one.
