HOROSCOPES

ARIES - Mar 21/Apr 20
It's time for an early spring cleaning, Aries. Don't be a pack rat. Clean out your closets and throw out what you don't need. Make room for new hobbies and ideas.

TAURUS - Apr 21/May 21
Taurus, stubbornness will only lead to loss and hard feelings. Let sensibility be your guide throughout the week. Face issues clearly and argue only your point.

GEMINI - May 22/Jun 21
Think fun this week, Gemini. Try something new and daring. Have your eye on someone special? Now's the time to break the ice, especially if it's a Libra you're after.

CANCER - Jun 22/Jul 22
Cancer, don't fret about finances. Practice taking on one problem at a time -- and watch as things work themselves out without you in control of everything.

LEO - Jul 23/Aug 23
Romance looks good this week, Leo, but don't forget the basics. Be open about your feelings and ask for what you want. Structure your priorities carefully at work.

VIRGO - Aug 24/Sept 22
Virgo, get in touch with an old, out-of-town friend. Make efforts to win someone's affection this week, which means you'll need to push romantic gestures to the limit.

LIBRA - Sept 23/Oct 23
Libra, it seems as though you've been hard to reach. That's okay so long as you don't place blame on hard-to-reach friends. Remember that relationships are a two-way street.

SCORPIO - Oct 24/Nov 22
Scorpio, exercise rids you of frustrations. If you can't get to the gym, take a run around the block. Aggression is building at home. Don't find yourself caught between two people.

SAGITTARIUS - Nov 23/Dec 21
Take some time out to cook this week, Sagittarius. Look to older generations in the family and collect their most creative recipes. Try one out on someone you love.

CAPRICORN - Dec 22/Jan 20
Try to ignore your family's comments regarding a romantic partner, Capricorn. Think about what you want and present your thoughts in a clear manner.

AQUARIUS - Jan 21/Feb 18
Get ready to entertain. It's been a long winter, Aquarius, and now it's time for some fun. Invite all of your friends and even some favorite acquaintances to a party.

PISCES - Feb 19/Mar 20
Challenges at work try your patience early in the week, Pisces. Keep calm. A romantic weekend helps ease your mind.
