TO OUR FRIENDS AND CUSTOMERS:

Thanks to all our friends and customers who called, emailed or just dropped by over the past few weeks to make sure Brasher Motor Company was "OK." General Motors just notified us that we have "been identified by GM as one of its key dealers for the Chevrolet and Buick brands."

Part of GM's restructuring plans call for "fewer, stronger and more properly-located dealers" and our "selection as a dealer for the Chevrolet and Buick brands shows the confidence GM has in your dealership." As you can see, nothing has changed and we will continue to operate as normal.

We are still selling new Buicks and Chevrolets as well as a variety of used vehicles. Additionally, we continue to work on all makes and models in our service department and body shop. Keep in mind that we offer such perks as a buy-three, get-one-free oil change and a pick-up/delivery service if your vehicle needs to visit our mechanical shop.

In these uncertain times, you can be sure that we are here for you, our customers; for without you, we would have closed our doors long ago. We appreciate your support over the last 94 years and look forward to serving you in the future.
