Letter To Editor

We cannot offer enough thanks for the support of the county fire departments nine, the out of county fire departments four, the Texas Forest Service, and the U.S. Fish and Wildlife Department for containing the wildfire that happened on the July 4 weekend.

Also many thanks to relatives and friends who showed up with equipment to help contain the fire and keep it away from our home. There were also friends and relatives who sent water, ice, and food to us as well as to the command center of the fire department.

The combined effort of all concerned saved our home as well as other homes in the path of the wildfire. Again, thanks for the help of everyone involved in the containment of the massive wildfire.

Corrections:

In last week's story about the wildfire, Garwood Fire Department was inadvertently left out of the list of agencies who helped with the fire. We apologize for the omission.

Following is a correction for Library Lines printed Thursday, July 9, 2009. A memorial in memory of Henry Sunderman should have listed Clark and Vicki Powers. I (Patty Holloway) apologize for any inconvenience this may have caused.
