Michael Lanier

Lanier Nominated For Award

Superintendents from 16 public school districts have been nominated for the annual Superintendent of the Year (SOTY) award sponsored by the Texas Association of School Boards (TASB).

Rice's own Michael Lanier is among those nominees.

Since 1984, the SOTY program has recognized exemplary superintendents for excellence and achievement in educational leadership.

Candidates are chosen for their strong leadership skills, dedication to improving educational quality, ability to build effective employee relations, student performance, and commitment to public involvement in education.

Superintendents from any of Texas' 1,036 local school districts are eligible for nomination by their school boards.

Local nominees are submitted to a regional selection committee, which chooses one nominee to send to the state selection committee.

The state committee will interview regional winners in August in Austin and select five state finalists.

The Superintendent of the Year will be announced October 3 at the TASA/TASB Convention in Houston.

The winning superintendent also receives an award from Balfour.

at \$10 per hour.

—Were told that the county's health insurance premium was increasing by 6.7 percent, but that would be offset by a credit of approximately \$68,000 that the county would receive from good claims experience.

County Auditor Raymie Kana said the credit could be used to offset the cost of the increase, so that county employees' payments would be unchanged.

—Were told that tests were still going on for the county's elevator, which has been out of service since the first week in July.

That leaves the district courtroom unavailable for court sessions.

Commissioners authorized designating the Stafford Opera House, Colorado County Services Facility, and the former Farm Bureau Building at 1117 Travis as alternate sites for holding various courts.

—Approved keeping the \$10 road and bridge fee the county collects on auto registrations unchanged.
