TAURUS - Apr 21/May 21
Taurus, there's no time like the present to embark on that home improvement you've been considering. Encourage others to give you some friendly assistance.

GEMINI - May 22/June 21
Gemini, if you've been thinking about taking a trip, now is the time to do so. Grab a friend or family member to take the ride with you and it will be much more fun.

CANCER - June 22/July 22
Cancer, you have been feeling under the weather, and you can't seem to bounce back quickly. Rest is key this week. There's no point in getting even more run down.

LEO - July 23/Aug 23
Lions may be the king of the jungle, Leo, but this week you're having trouble mustering a meow. Get your energy back so that you can enjoy your birthday.

VIRGO - Aug 24/Sept 22
Virgo, a move you made a few weeks back is not panning out as you had hoped. You just can't seem to get along with your new housemate. It may be time to move again.

LIBRA - Sept 23/Oct 23
It seems you have been taking advantage of loved ones, Libra, and now is the time to change your ways. Do more for those you love and you will receive it in return.

SCORPIO - Oct 24/Nov 22
Scorpio, you want to run the show this week and others will be anxious to let you. Don't let the power go to your head or else you'll make enemies very quickly.

SAGITTARIUS - Nov 23/Dec 21
A friend in need has you running, Sagittarius. But don't be so quick to jump every time this person beckons or else the situation could get out of control very quickly.

CAPRICORN - Dec 22/Jan 20
A lot on your plate at work, Capricorn? If you feel like you're doing too much it may be time to start speaking up about your workload. Don't get worn out.

AQUARIUS - Jan 21/Feb 18
The finances should be an

open book with your partner, Aquarius. Controlling spending is a way to cause arguments; this is a two-way street. Start seeing it as so.

PISCES - Feb 19/Mar 20
Pisces, if plans don't work out the way you expected this week don't get discouraged. Bounce back and set a new agenda.

August sales tax allocations represent sales taxes collected in June by businesses that report sales taxes monthly, and sales tax collected in April, May and June by quarterly filers.

Texas Comptroller Susan Combs said the state collected \$1.65 billion in sales tax revenue in July, down 11.6 percent compared to one year ago.

"Sales tax collections in July were again down significantly as major sectors of the economy, such as retail trade; oil and natural gas; and construction remain weak," Combs said.

"The sharp drop in revenue is a reflection of the current poor performance of these sectors as well as unusually strong sales tax collections in July 2008."

Combs sent \$544 million in August sales tax allocations to local governments, down 6.8 percent compared to August 2008.

So far this calendar year, sales tax allocations to local governments are down 2.2 percent compared to this time last year.

Combs sent sales tax payments of \$367.4 million to Texas cities down 6.5 percent compared

to last August. Calendar year to date, city sales tax revenues trail 2008 by 2.3 percent.

Sales tax payments of \$33.8 million went to Texas counties, 4.2 percent below last August.

So far in the calendar year 2009, county sales tax allocations are up .2 percent compared to last year.

In addition, \$21.2 million in sales tax revenue went to 151 special purpose-taxing districts, down .8 percent compared to August 2008.

Ten local transit systems received \$121.5 million, down

9 percent compared to a year ago.

For details of August sales tax payments to individual cities, counties, transit systems and special purpose districts, locate the Monthly Sales and Use Tax Allocation Comparison Reports on the Comptroller's Web site at www.window.state.tx.us/taxinfo/allocsum/compsum.html.

Due to the Labor Day holiday, the Comptroller's next sales tax allocation will be delayed until Monday, Sept. 14.
