

HOROSCOPES HOROSCOPES HOROSCOPES

ARIES - Mar 21/Apr 20

Run, don't walk to your closest friend and ask for his or her advice. You trust this person most and with an important decision looming, you need support.

TAURUS - Apr 21/May 21

Taurus, you finally get a respite from all that has been going on. The trouble is, now that you have time on your hands, you don't know what to do with it.

GEMINI - May 22/June 21

Gemini, there's a lot going on with a friend that you simply don't understand. But maybe that's the point. Instead of scratching your head and wondering, just accept the situation.

CANCER - June 22/July 22

You have plans to vacation for a little while, Cancer. Someone is going to miss you terribly while you are away; you just can't figure out who this secret admirer might be.

LEO - July 23/Aug 23

Leo, it's time to make a big change and Scorpio can be your source of inspiration in these matters. Whether a big financial venture or a change of scenery --go for it.

VIRGO - Aug 24/Sept 22

You have been forced to make a difficult decision this week, Virgo. Although it hurts for the time being, after a few months you will return to normal.

LIBRA - Sept 23/Oct 23

Libra, someone close to you requires a lot of emotional support. You are very good at providing it with no questions asked or thoughts of something in return.

SCORPIO - Oct 24/Nov 22

Things haven't been going as easily as you had hoped, Scorpio. When things seem a bit overwhelming, just remember that there are clearer skies ahead on the horizon.

SAGITTARIUS - Nov 23/Dec 21

Sagittarius, you won't be able to change someone's mind about an important issue and this will prove bothersome. But it will pass as quickly as the problem popped up.

CAPRICORN - Dec 22/Jan 20

Capricorn, family members could feel hurt by your recent decisions and actions. Instead of putting yourself first, you may want to consider their feelings in the matter.

AQUARIUS - Jan 21/Feb 18

Aquarius, an unruly schedule leaves you feeling tired and drained. Surrounding yourself with friends could be the pick-me-up you need

to make it through the week.

PISCES - Feb 19/Mar 20

Schedule some much-needed rest and relaxation this week, Pisces. You are not in the frame of mind to make any important decisions.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
