A RESIDENT is a person who has lived continuously in Texas for more than six months immediately before applying for a license. Members of the U.S. Armed Forces (and their dependents) on active duty anywhere are entitled to purchase a resident license.

The term "active duty" means full-time duty in active military service, including the National Guard and Reserves of the United States.

Such term includes full-time training duty and attendance while in the active military service at a school designated as a service school by law or by the Secretary of the military department concerned.

Non-residents under 17 years of age are designated as residents for hunting license purposes (not valid for Lifetime Licenses).

Residency is proven by any three of the following (all documents must reflect the applicant's name and a physical address in Texas).

Except for a valid driver's license or a state issued identification card, documentation is not required at time of purchases or while hunting or fishing:

a license or permit

A NON-RESIDENT is any person who does not meet the requirements listed for qualification as a Texas resident.

It is unlawful to:

- hunt or fish without a valid license, or a permit and stamp endorsement on your person and available for inspection by a game warden, unless exempt by age, program or a reciprocal agreement with another state.

• use another person's license or tag to hunt or fish.

• let someone else hunt or fish with your license or tags.

It is unlawful to purchase or obtain more than one of the following licenses:

• Resident Hunting • Texas Resident Active Duty Military "Super Combo" Package

• Resident "Super Combo" Package • Non-Resident Spring Turkey Hunting

Social Security Numbers Required by Law: The collection of the Social Security Number is mandated by the Federal Government and is required regardless of age.

TPWD has no option but to comply with Federal Law and collect the numbers from the purchasers of licenses. TPWD cannot force you to provide your social security number; however, under Federal Statute, we cannot sell you a license.

Your social security number is required to be collected for the purpose of child support collection enforcement under Federal Statute 42 U.S.C.A. 666 and Texas Family Code, Section 231.302. If you are buying a license for another person, the law requires that the purchaser provide the social security number of the person who will be holding the license.
