Dear Santa,
I would like a pink scooter, snow globe Nintendo DSI, and a car track. The reason why I want a scooter is because I don't have one and I really like scooters. I would like a car track so I could race my cars on it. I like to collect snow globes that's why I want another one. My friends and I want Nintendo DSI's because you can take pictures on it.
Your friend,
Brynn Munoz
