Ask Gertson:

****Gertson says he is a 24/7 commissioner.**

We ask Gertson "How can you be a 24/7 commissioner when you are a full time rice farmer?" **PART TIME COMMISSIONER/FULL TIME COUNTY SALARY.**

****Why does Gertson have to collect \$8,000 per year from tax payers for using his personal vehicle instead of using the county truck provided to him for free?**

****Why do you have to wait until election time to have roads graded, ditches mowed and ditches cleaned out to where they will drain when they should be done the other 11 months out of the year.**
