Garden Club Plants Earth Day Tree

Members of Eagle Lake Civic Garden Club observed Earth Day on Thursday, April 22, by planting a live oak tree at the Municipal Park near the gazebo area. A big thank you to the city employees for digging and placing the large tree in the hole with the help of Garden Club members and spouses.

Eagle Lake Civic Garden Club in previous years landscaped the Municipal Park with the oleanders that border the large ditch and nandinas around the gazebo. Also, a live oak tree was planted 2 years ago on the west side of the gazebo.

Other areas in town that were landscaped and are being maintained by the Garden Club are: Harrison Park on the corner of Boothe Drive and McCarty Avenue which has large red oleanders, live oak trees, bridal wreaths and crepe myrtles; the Point, across from Buc-ee's, where an

From left to right, Becky Anderson, Lois Herman, Penny Henske, Ann Sunderman and Lois Ann Dziuk.

Eagle Lake sign is located in the flower bed with many assorted plants; the shrubs and flowers around the Municipal Building and also the large pots at vari-

ous locations on the downtown sidewalks. Watch for signs designating Garden Club areas as we continue to beautify our city!

Raider Golf Team Wins Regional Tourney

The Rice Raider Boys golf team finished first in the 2A High School Regional Golf Tournament held at Quail Creek Golf Club, in San Marcos.

This is the first time in the history of the school that this has been accomplished. The team consisting of Myles Dumont, Carlos Sosa, Mario Hull, Jared Kaster, Alan Arellano and Spen-

cer Spencer fired a team 2 day total of 699 finishing 1st, ahead of Weimar and Lago Vista.

The leading scorer for the Raiders was Myles Dumont, who carded a 170 total for the tournament. The Raiders will compete in the Boys U.I.L. State Championship Tournament, Held at Roy Kizer Golf Course in Austin on May 10th and 11th.

Golf coach Frank Andreas gets a miniature ice bath after the Raiders learned they had won the regional tournament.

Brylynn Michelle Semora
April 21, 2008 - November 3, 2009

Remembering our beloved Angel Brylynn on your
second birthday, the first away from home. With a
broken heart we whisper low, Happy Birthday
Brylynn we miss you so.
We lost someone so special, it's really hard to bear,
and it hardly seems believable that you are no
longer here. You left us far too early our precious
baby girl always in our heart our love still grows.
We take comfort in the happiness you brought, you
always brought joy to so many lives, but ours will
never be the same, until the day when we see your
smiling face again.
We love and miss you so much
Daddy, Mommy Kathy, Justin, Taylor and Kelsey

TEETHING MILESTONES
Although you won't see your child's teeth until he's
several months old, they've been developing since he
was in the womb. Soft tooth buds appear as early as the
eighth week of pregnancy and begin to harden during the
fourth month in utero. His teeth will break through the
gums around the time he's 6 months of age—although
occasionally they emerge as early as 4 months or as late as
his first birthday.
Baby teeth often—but not always—come in the following
order: the center bottom two, the center top two, the
bottom lateral incisors (they're next to the center teeth),
the top lateral incisors, the first molars, the top two
eyeteeth (the ones next to the laterals), and then the bottom
two eyeteeth. Second molars show up a little later, usually
around age 2. In general, your child will cut four teeth for
every 6 months of life. By age 3, he'll probably have all 20
baby teeth.
