Taking Calomel Means Staying Home for the Day—Take Dodson's Liver Tone and Save a Day's Work

If an attack of constipation or biliousness hits you, there's no need to take a dose of calomel and spend at least a day getting over the effects of it. Garwood Drug Co. sells the liver tonic, Dodson's Liver Tone, that takes the place of calomel and starts a lazy liver without any bad after-effects.

Dodson's Liver Tone does all the good that calomel ever did, yet it is absolutely harmless to young people and old. It is a pleasant-tasting vegetable liquid that will relieve constipation or sour stomach or other troubles that go along with a lazy liver without restriction of habit or diet. You don't leave off any of the things you regularly do when you take Dodson's Liver Tone.

Garwood Drug Co. sell Dodson's Liver Tone and give it a strong personal guarantee. They say: "A large bottle of Dodson's Liver Tone sells for 50 cents, and we will hand any person back his 50 cents if he tries a bottle and doesn't say that it does all that calomel ever does and does it pleasantly. Get the genuine Dodson's Liver Tone and if you are not pleased with it we will give your money back with a smile."

Piwetz-Wiesner.

A very pretty wedding was solemnized at the Catholic church Tuesday morning at 10 a. m. when Miss Fanny Wiesner became the bride of Mr. Raymond Piwetz. The ceremony was performed by Rev. Nemecek of Sealy.

The bride, the youngest daughter of Mr. Wm. Wiesner of Taiton, is a charming young lady, well known here where she was reared and where her friends are legion.

The groom is a son of Mr. and Mrs. J. F. Piwetz of R. 3. He is known as a young man of excellent character and sterling worth and enjoys the friendship of all who know him.

The young couple will make their home here.

The fact offers congratulations and wishes them a long and happy married life.—Fayetteville Post.

County Court.

In the County Court last week, three pleas of guilty were entered for unlawfully carrying a pistol and Judge Mansfield, without the assistance of a jury, assessed the penalty.

Ben McClendon and Andrew Johnson were each fined \$100, but in the case of the State against Horace Holmes, a fine of \$200 was entered, that being the highest fine allowed by law. It is not often that the highest penalty is inflicted when a plea of guilty is entered, but in this case the defendant was shown to have acted in a very unruly manner and brought on trouble which resulted in the killing of a negro named Giles Woods by Andrew Johnson, who is bound over to await the action of the grand jury, upon the charge of killing, was also fined \$100 for carrying the pistol.—Columbus Citizen.

Bald as a Badger.
The phrase "bald as a badger," now falling into disuse, arose from the mistake of some of the old writers on natural history, who mistook the soft white hair on the forehead of a badger for baldness. The same mistake was made in describing the magnificent wheat-headed eagle (aquila heliaca) the bald-headed eagle. The skin of the badger is by no means as white as a badger's head.

High Prices for Gruesome Relics.
Gruesome relics were sold in a Paris auction room the other day. One was that of the petrified body of a Patagonian slain in battle several thousand years ago. The price was \$1,640.
