Rev. Anders Ordained.

The Rev. John A. Anders one of the most highly esteemed young men of the Dubina neighborhood, completed his studies at the Indiana Catholic Seminary recently and was ordained yesterday at Weimar. Bishop Shaw of San Antonio officiated. On next Sunday the young priest will celebrate his first mass in the church, near which he was born, at Dubina between Weimar and High Hill. Great interest is taken among the Catholics of Weimar and vicinity and other portions of the county. Miss Lucy and Mr. Edwin Stanzel, who are old friends of the family, have spent the week as guests of the Anders family and helped in making the arrangements. Mr. Joe Stanzel will go over to attend the first mass next Sunday. Rev. Anders is the son of Mr. Joseph Anders, a well-to-do farmer of near Dubina. Hallettsville New Era.

Dentist's Notice.

Dr. Sigler, the Altair dentist, will work in Garwood July 2, 3 and 4. If your teeth need attention, don't forget the dates.

Two years ago the position of representative from the seventy-first district, Austin and Colorado counties went begging. It had to creep up to Colonel George Herder of Weimar, hat in hand, very humbly before he consented to take it up. The New Ulm Enterprise tried to give it to Dr. B. J. Fehrenkamp, the grand old man of Frelsburg, but he fled into the Pisek wilderness like a frightened school girl who didn't want to be kissed by the wrong boy. Now, all is different; the job seems very, very desirable. Mr. Herder saw he could not get it any more; so, it is rumored, he brought out the fourth candidate in the person of a fellow townsman. That gives us two candidates from each county. We are not a prophet—we can't even tell what the weather is going to be on the third Sunday of next November. Neither are we from Missouri, but we are willing to bet two delinquent subscriptions against half the money the Coca Cola company is going to get out of its libel suit against Jeff McLenore that Weimar is not going to furnish all the representatives from the seventy first.—New Ulm Enterprise.

The Garwood Supply Co. have installed in front of their place of business an automatic gasoline pump and tank, for the convenience of their automobile patrons and others. Attached to the pump hose is a strainer, which insures clean gasoline, and the automobile tank can be filled in a very short time without and trouble. The supply tank, which has a capacity of 110 gallons, is buried in the ground.
